

# Sandbox Gazette

QUARTERLY

JANUARY 2012

ISSUE 1

It is a new year, and another edition of the Sandbox Gazette has arrived. In this edition we will provide the calendar of events, update you on the previous feature cats and introduce new ones, remind you about the distribution of the newsletter, offer guidelines to plan for your pet's future if you could no longer care for him or her, remind you about the need for identification on your cat, inform you about the Christmas wish list, give the 2011 statistical report, offer the monthly supply donations, include the order blanks for the annual plant and Easter pie sales, tell you about the Easter bake sale, remind you about Speedy Rewards, tell you about the past, current and future fund raisers, and offer important reminders.

## Calendar of Events

Please mark these dates on your calendar so that you will not forget them.

Speedy Rewards	Now
2012 Entertainment Books	Now
Aluminum, Pennies, Paw Points	Now
Plant Orders Due	March 10 <sup>th</sup>
Easter Pie Orders Due	March 24 <sup>th</sup>
Easter Pie Pickup	April 7 <sup>th</sup>
Easter Bake Sale	April 7 <sup>th</sup>
Plant Pickup Begins	May 8 <sup>th</sup> at 4:30
Yellow Springs Street Fair	June 9th

## Feature Cats

Archie from a previous newsletter and Uno and Tres from the last newsletter have now been adopted. They are happy to have homes of their own and are very loved. Unfortunately, Cobby and Avis and Hertz have not been adopted. Cobby is a two-year old Siamese mix and Avis

and Hertz are an eight-year old brother and sister pair who are long-hair tabbies. They still need loving homes and will give their new owners years of love and attention.

Our feature cats for this newsletter are four littermates and Andrea, a gorgeous gray and white female. The littermates include two males and two females. Two of the litter have already been adopted. The four are Rose, Janey, Butterfinger, and Teddy. They are about seven months old, neutered, tested for the viruses, fully vaccinated, and microchipped. The two girls are torties (one dark and one light) and the two boys are medium-hair tigers. They demand attention and love to play. The minute you walk into their room, they are on you begging for love. They are great with everyone - feline and human.

Andrea has long-hair and a spirited "cat-attitude". She was dumped at The Tenth Life over a year ago. She was badly injured when she arrived. Her front leg had been crushed. Dr. Jennie performed surgery to remove splinters of bone, but she will always walk differently. She walks on her entire foot not just on the toes. The bones are not connected at the knee and ankle as they should be. She is not in pain, and she certainly has no problem getting around. She loves to jump onto high places and look down on everything. Andrea can tolerate other cats, but she would be best as an only cat. She is very bossy with other cats. She likes people and attention, but she is ornery. She will sometimes reach out and grab you when you walk past her. Andrea is a beautiful cat and is very persnickety about her looks. She is a diva. She loves to lie upside down on her bed and look innocent. She is about three years old and full of life.

If you would like to visit any of these kittens/cats, please call us to set an appointment. Your life will be enriched, and they will have a special someone to love them.

## **Newsletter Distribution**

In the last several newsletters, we have requested that everyone on the mailing list advise us if they want to receive the newsletter in the mail or by e-mail notification. If you have already notified us, thank you so much. If you have not and want to continue receiving the newsletter, please tell us by phone (937-376-5550), by mail, (P. O. Box 178, Alpha, Ohio 45301), or by e-mail (jlotsacats@aol.com). If we do not hear from people and have not heard from them for a long time, we will assume that the newsletter is not being read. We have been asking for this information for over a year to allow people plenty of time to respond. We realize that everyone is extremely busy and that this request is not at the top of your list of things to do. However, we are trying to save funds for the cats and do not want to send newsletters to those who are not interested in receiving it. Therefore, please respond. We do not want to eliminate people from the list who are truly interested in cats and our efforts to help them. If you want to continue receiving the mailed copy that is certainly fine, but we simply need to know. Please respond. We appreciate your help.

## **Guidelines for Planning for Your Pet's Care**

Have you ever thought about what would happen to your pet, if you were unable to care for him or her? Too many never think about this or assume that a friend or relative will care for the pet if they cannot. These assumptions can result in the pet being taken to a shelter and put to death or dumped on the street to fend for itself and possibly die. To prevent this from happening to your pet, plan ahead. (1) You should always arrange with someone you know well to take your pet and provide "forever" care for it. If you do not have a friend or relative who can provide this care, make arrangements with a local "no-kill" facility to take your pet when the

need arises. (2) You should always provide written instructions on the care and needs of your pet to the designated caregiver. This is the only way that your pet's caregiver will know your wishes and the pet's requirements. Of course, provide this information to your lawyer for safe keeping. If your pet will go to a rescue, they will also need this information. If you have multiple pets, note if they should stay together or could be separated. (3) You should set funding aside for the continued care of your pet whether the pet is going to a friend or a rescue. Your lawyer, estate planner, financial planner, or insurance company can assist you on the proper, legal, safe way to setup this fund. (4) You need to make your plans known to everyone and have instructions visible in your house. Documentation is the best way to assure that your wishes are followed and your pets are safe and properly cared for the rest of their lives. Be sure to note the number of pets in your home, the location of their supplies, the name of your pet sitter if you have one, your veterinarian's name, phone number and location, and the name and phone number of your pet's designated caregiver. Please do not leave all of this to chance. No one wants to think of being incapacitated or dying, but you must plan for your pet's future if something happens to you. You do not want your pet to be left helpless and unwanted wandering the streets or being put to death because you did not plan for his future.

## **Need for Identification on Your Pet**

We would like to remind you about the need for identification on your pet at all times. Many people think that if their cat is always indoors or has a microchip, there is no need for a collar and identification tag. This is not true! Too often, cats accidentally slip out and are lost. If your home is burglarized or a fire breaks out, your pet may also get out and be lost. They are usually very afraid of the noise and activity outside and will hide. Even if they hear or see their owner, they are too afraid to go to them. People believe that if their cat is microchipped, there is no need for identification. They think that if their cat is taken to a shelter, it will automatically be scanned for a chip. Unfortunately, there is at least one organization in this area that does not

always scan for a microchip. Your cat could be “put down” even though it has a microchip. If the cat is wearing a collar and tag, there is no chance that it will not be seen. Of course, the collar should not be loose as the cat can get caught on something and choked. For a cat, there should be room for only one finger under the buckle, whereas, there should be room for two fingers under the buckle for a dog. You do not want to put your cat at risk of being lost without identification. No one plans on their cat being lost, but it happens too often. Your cat cannot tell someone who he belongs to, he has to depend on you to have him identified. For his protection and safety, and your sanity, please have identification on you cat or dog. If someone finds the cat or dog with identification, your pet can be back to you immediately. Many people who have found a cat, call us for help. We always suggest that they have the cat scanned for a chip before trying to find a home for it. It may very well be someone’s beloved pet who has become lost. Many people do not even think about having the cat scanned for a chip. Identification can be the only chance your pet has of being returned to you.

### **Christmas Wish List**

The first request on the cats’ wish list was for homes of their own. Although, a few of the cats found new, loving homes over the holidays, there are still so many great cats that need homes. We are housing over four hundred and fifty cats. As we are a no-kill, some are not adoptable for medical or personality reasons. However, the majority would make loving pets for the right person or family. They are waiting for that special someone to take them home and love them for the rest of their lives. If you need or want a new friend, please call us to set up an appointment.

The second request was for more volunteers to care for the cats. Four people answered this request and have made the cats very happy. They enjoy having more people to care for them and pet them. The volunteers scoop litter boxes, feed and water, clean housing areas, and, of course, pet and care for the cats. The rewards are amazing - purrs, rubs, kneading, head bumps, kisses, and lap sitting. They are so appreciative of everyone who

cares for them and visits them. Would you like to help the cats and yourself by volunteering at The Tenth Life? Please call us to setup a time.

The donations to the general operating fund were unbelievable. Our supporters donated over thirty thousand dollars during this holiday season to the general operating fund. These funds are used for the day-to-day operations of The Tenth Life. With your generous donations we can continue to help homeless, unwanted cats that would otherwise not have a chance for a “tenth life.” There are so many cats that need help, and with your donations, we can help even more.

As always, many, many supplies were donated to help the cats. These donations are so helpful and save us so much. We really appreciate your donations.

Ten of the cats got their wish for sponsors this holiday. We welcome the new sponsors and are grateful for their support. The new sponsor cats are so happy and constantly tell their friends about having a special person who supports them. There are still many of the cats who do not have sponsors but would love to have one and have a new friend to visit them. If you would like to sponsor, please tell us, and we can choose a cat for you or you can visit The Tenth Life to select one. It is a mere ten dollar per month donation to sponsor a cat. The donation can be paid monthly, quarterly, annually or any other way that you choose.

The cats’ last request was for donations to the x-ray fund. This holiday, we received three thousand dollars toward the purchase of the new x-ray. The total donated to date is fifteen thousand dollars. We thank everyone who has donated to this fund. We will continue to save toward the purchase, and helpfully when it is necessary to buy the new x-ray machine, we will have sufficient funds to do so.

### **2011 Statistical Summary**

On the matrix below we have provided some of the important statistics for 2011. The 2011 wrap-up is provided for your information to give you a better idea

about the operation of the Tenth Life and its accomplishments. Here are just a few of the data points about The Tenth Life for 2011. We had a very busy, productive year for the cats.

Adoptions	301
Sponsor cats	262
Volunteers	86
Aluminum	\$3,674
Pennies	\$1,601
Donation Cans	\$1,883

### Monthly Supply Donations

Every year we offer a list of supplies that we use on a daily basis that you can donate to help save our funds for other purposes. Your donations of these supplies throughout the year save the cats hundreds and maybe even thousands of dollars from the general operating fund. The list is provided by month but any of the supplies can be donated at any time during the year. If we do not need them at the time they are donated, we will save them for later. We promise that we will not waste any supplies. Some people even bring us supplies that are discarded by hospitals. We find a use for almost anything that is donated. It is amazing what uses you can find for supplies discarded by someone else. The supplies can be brought to The Tenth Life during our hours of operation listed at the end of the newsletter. Thank you for your help with supplies; it truly makes a great difference.

### Annual Plant Sale

It is time to begin thinking about spring and your plant needs. The order blank for the annual plant sale is included in this newsletter. The selection has changed slightly, and there are a few changes in the prices necessitated by price increases from Furst, the supplier of all of the plants. We have maintained as many prices as possible at last year's levels. We have a huge selection of annual bedding plants, hanging baskets, mixed flowering pots, patio pots, vegetables, herbs, and perennials. Please see the order blank for the entire selection and prices. The plants will be of the highest quality and beautiful. You will not be disappointed with any of these plants. If there is a plant that you would like to have but do not see it on the order blank, please note it on the order blank. If Furst has it, we can get it for you. If you prefer, you can call us, we will check with Furst and return your call with the availability and price. Please remember to tell your friends, neighbors, co-workers, and family about our plant sale. If you need more order blanks, call us, and we will be glad to send them to you or you can download the order blank from our web site. The more plants that we sell, the more profits for the cats. Last year we sold about twenty-six thousand dollars of plants with nearly half of that amount being profit. This is one of our biggest fund raisers, and it has grown every year. We understand that it is early to think about plant needs, but **we would like to have your orders, with payment, by March 10<sup>th</sup>**. Furst asks for the majority of our order by the middle of March to accommodate their ordering and growing requirements. By placing our order by mid March, we receive an early-order discount that allows us to keep our prices lower. We must have our complete, final order to them a few weeks before the delivery date. If you cannot meet the due date for any reason, please send your order blank as soon as you can, and we will have your plants available for you. Even if you cannot send your order until almost the pick-up date, still send your order, and we will take your order from the extras that we purchase.

As always, we will have two to three thousand dollars of extras available for your shopping convenience. We try to have extras of everything, but we cannot guarantee to have everything that you want; therefore pre-ordering

is your best option to assure that we have all the plants that you want. Therefore, please send your orders by the due date, but if it is not possible, send your orders to us so we can accommodate your desires and help the cats. Remember, it is never too late to send your order, but it really helps us to get your orders in a timely manner. Whenever, we receive your order we will fulfill your needs. Please help us with this fund raiser and allow us to help the needy cats of the community.

**The plants will be available for pickup beginning at 4:30pm on May 8<sup>th</sup>.** This is the week before Mother's Day. These plants and arrangements make excellent gifts for everyone on your Mother's Day gift list. You will have your gifts already bought, and the receivers will be thrilled with your thoughtfulness. At the same time you are helping the cats raise funds for their care. **The hours for pickup are 4:30-7:30pm weeknights, 10:30am-5:00pm on Saturday and 12:30-5:00pm on Sunday.** Please make special note of these times and do not come at any other time as the gate could be closed or no one would be available to help you find your order. We cannot have people coming for their orders and searching through the orders for the one that they think is theirs. Orders can be messed-up so easily this way, and then our customers are unhappy with us. We try so hard to have everyone's order filled correctly, and in a convenient order that we can locate and recheck your order when you pick it up. By the time the orders are ready for our customers, they have been filled and checked twice to try to be sure that they are correct. If customers come when there is no help, they may take part or all of an order that looks like theirs, but is not theirs and ruin our system and mess up someone else's order. Please adhere to our hours. If you simply cannot come during our hours of operation, please call us at (937) 376-5550, and we will make arrangements with you to accommodate your schedule. One more point, if you find an error in your order, please call us or bring your order back, and we will certainly correct our error. We try so hard to be sure that every order is correct, but we are human and with nearly three hundred orders, errors do occur. Please let us correct any problem so that you are one hundred percent satisfied with your plants. We will be waiting for your orders. If you have any questions about the plant sale, please call (937) 376-5550

during our hours of operation. If we do have the answer, we will check with Furst and return your call with the needed information.

### **Easter Pie Sale**

We are again offering Pie Peddler pies from Mehaffies for your Easter dinner needs. The order blank for the Easter pie sale is also included in this newsletter. They are absolutely delicious. They are like homemade but without the work, and you can buy several to offer your guests a wonderful selection of flavors. By buying these pies, you save yourself hours of baking time and help the cats at the same time. The price of the pies has not changed since the Thanksgiving/Christmas sales. The price is nine dollars per pie (three dollars profit for the cats) and the selection is the same. Please have your orders, with payment, to us by **March 24<sup>th</sup>**. We must place our order shortly after that date so please get your orders to us in a timely manner. If you miss the due date, please call us at (937) 376-5550 with your order, and we will try to accommodate your request from the extras that we order. We will have extras of most flavors, but please pre-order to assure that you get the flavors that you want. The pies will be available for pick-up at The Tenth Life on **April 7<sup>th</sup> starting at 10:00am until 5:00pm.** We will see you at the pick-up.

### **Easter Bake Sale**

To further ease your Easter holiday dessert needs, we will also have a bake sale on **April 7<sup>th</sup>** during the same time period. We will have a huge selection (20-30 varieties) of baked goods for your Easter dinner. Rather than pricing the baked goods, we simply have you make your selections and then make a donation to The Tenth Life. This works for you and us. It saves us time and you can pay what you think is a fair price for your selections. Please come hungry, buy lots of delicious baked goods for your guests, and help the cats. We promise the selection will be huge, and everything will be delicious. We have the best bakers as our supporters. If you would like to donate to this bake sale, please bring your donation to The Tenth Life on Friday evening, April

6<sup>th</sup> between 4:00 and 7:00pm. Your donations of baked goods are truly appreciated by the cats.

### **Speedy Rewards**

Our generous supporters have been so helpful by transferring their Speedy Rewards to The Tenth Life. We have been able to redeem them for four hundred dollars in gift cards that we have used to purchase supplies, such as paper towels, cleaning wipes, hydrogen peroxide wipes, etc. If you have points that you are not going to redeem, please visit the Speedway website or call 1-800-643-1948 and transfer your points to the following card – 404440 098106 in the name of Jerry Kerns. This is such an easy way for you to help without expending any of your own funds. Please transfer your points to the card number shown above and help the cats.

### **Past Fund Raisers**

The Thanksgiving pie sale was another successful one. We sold one hundred and thirty-one pies for a profit of four hundred and eighty-seven dollars. We thank Mehaffies Pie Peddler for making the sale possible and profitable. Thanks to everyone who purchased pies.

The greenery and plant sale was also successful and profitable for the cats. All of the plants and greenery were sold at a profit of twelve hundred and forty-one dollars. They were all beautiful and added such a gorgeous, festive touch to the holidays for everyone who purchased the plants or greenery. We plan to offer the greenery and plants next year. Thanks to everyone who purchased these holiday items and to the volunteers who worked these sales.

We held our first bazaar on November 26<sup>th</sup> and continued selling our merchandise through the second sale on December 17<sup>th</sup>. The second sale coincided with the Christmas bake sale. The cats earned over forty-two hundred dollars in profits from the bazaars and the bake sale. This was a little less than the sales last year. Thank you to everyone who made purchases and donations to these sales. For the bake sale, we had sixty-one varieties

of cookies, candies, breads, cakes, etc. The selection was unbelievable. A huge thank you to everyone who donated baked goods. All of the bake sale items were delicious. We received so many compliments on the baked goods. Some people came back more than once for more baked goods.

The Christmas pie sale was also successful. We sold one hundred and thirteen pies at a profit of three hundred and ninety-three dollars. This sale was slightly less than last year. Thanks to all our pie purchasers. We will be offering the pies again for Easter, Thanksgiving, and Christmas this year. We thank the Pie Peddler for making this sale possible by providing their delicious pies.

Although we thought that we would not be able to have pictures with Santa this year, we were able with the help of Pets Supplies Plus, to have sessions in their two stores. On December 10<sup>th</sup>, 11<sup>th</sup>, 17<sup>th</sup>, and 18<sup>th</sup>, we had pictures with Santa at the Kettering store and the Centerville store. We thank their managers and employees for helping us with these picture-taking sessions. We thank our volunteers who were Santa and his helpers for making these weekends profitable for the cats. We earned seven hundred and seventy-one dollars for the cats. We earned nearly double that amount last year, but we were at four Complete Pet Mart stores for two weekends. This was a last-minute effort this year to do the pictures at Pet Supplies Plus as we had to have the permission of their headquarters. We worked quickly, but did not have much time for advertising the event. To make this much, under those circumstances, was doing very well. Unfortunately, we had trouble with one of our printers that caused some delays, but our volunteers worked through it. We thank everyone who participated. We plan to work with them again next year to do pictures with Santa.

The sale of the 2011 original-design Christmas card was the best yet. We sold nearly all one thousand of the cards that we had printed. Everyone loved the design and thought it was extremely creative. We thank our volunteer, Abby Voris, for her design. Unfortunately, she has moved to Texas, and we have lost a dedicated volunteer. We miss you Abby.

With all of these fund raisers at the end of the year, we were all very busy, but the sales were extremely helpful in raising funds for the care of the cats. Thanks to everyone who helped in any way to make these fund raisers successful.

### **Current Fund Raisers**

We still have a few of the 2012 Entertainment books available. They sell for thirty dollars and are loaded with money-saving coupons for almost every type of purchase that you may make. The cats receive about seven dollars from every book sold. The books are no longer available at the businesses except for Dayton South Veterinary Clinic on Wilmington Avenue in Kettering. Of course, they are still available at The Tenth Life. We can still ship one to you for an additional three dollars for shipping.

The Tenth Life apparel including t-shirts (short and long sleeve) and sweatshirts, are always available in a variety of colors. The t-shirts are fifteen dollars for short-sleeve ones and twenty dollars for the long-sleeve variety. Sweatshirts sell for twenty-five dollars. The tote bags are twenty-five dollars and are gray. All have The Tenth Life logo embroidered on the front of the item. Any can be shipped to you for two dollars for shipping for the t-shirts or three dollars for the sweatshirts and tote bags.

We also always have the great selection of catnip toys which include crocheted balls and fish, fabric pillows and fish, catnip mats and catnip furry beds. The balls and pillows are two dollars, the fish are three dollars, and the catnip mats and beds are ten dollars. They come in a variety of colors filled with catnip for your cat's pleasure. Shipping depends on number of toys ordered but is usually a couple of dollars. The cats love these toys because they are filled with fresh catnip, not catnip that was picked years ago. Your cats will be thrilled with these toys.

Cat trees and furniture are available from The Tenth Life all year. With our having a local supplier for the cat trees, we are able to offer a nice variety of the furniture.

We sell the cat trees/furniture for only thirty dollars over our cost. With the local supplier, there is no transportation charge so you save even more. We have a booklet of trees available and hope to have it on our website in the near future. Your cats will love these trees because they are well-built and sturdy. They will not topple over if your cat rushes to the top of the tree. If you have been thinking about a tree for your cat, this is the best price you will find for this quality of tree, and your cat will be very happy.

The Tenth Life cookbooks are also available for twelve dollars with an additional charge of three dollars if you would like the cookbook shipped to you. There are three hundred and fifty recipes for delicious dishes that you can prepare. You profit with these yummy recipes, and the cats profit from your purchase. The cookbooks make excellent gifts for your friends who love to cook or bake. You will be thrilled with the cookbook.

If you shop at Kroger and have not purchased one of our cards, we would love for you get a card from The Tenth Life. You purchase a card from The Tenth Life with twenty-five, fifty or one hundred dollars loaded on it, use it until the funds are all used, then reload the card with additional funds, and the cats receive four percent of the amount you load for their care. With all of the cards we have sold, the cats receive about four to five hundred dollars per month. This is an easy fund raiser for The Tenth Life and costs you nothing to help the cats. You simply purchase your groceries using the gift card, and the cats benefit.

### **Future Fund Raiser**

Please do not forget to send us your order blanks for the plant sale and the Easter pie sale. The time will be here very soon to have these order blanks in the mail to The Tenth Life. You do not want to miss these due dates.

In June we plan to attend the Yellow Springs Street fair. We will have all of our regular merchandise plus some new items. We will see you there.

**Reminders**

Your support of our requests for aluminum, pennies, Fresh Step Paw Points, ink cartridges, and coupons has been overwhelming. Please continue saving these items for The Tenth Life. The aluminum can be any type of aluminum from drink and pet food cans to spouting and siding. (A magnet will not stick to aluminum, but will to other metals.) The pennies can be wrapped or not wrapped. The Fresh Step Paw Points code can be found on the bag or box or in the pail of litter. The code is usually twelve characters and is not the lot number. Simply cut off the top layer of the bag with the code and send it to us. Be sure to cut out the entire code. It does not always exactly coincide with the spacing on the outside of the bag. Please save any ink cartridges for us to recycle and earn rewards. We also appreciate your saving coupons for cat food, Fresh Step litter, paper towels, facial tissue, and toilet paper. All of these can be brought to The Tenth Life during our hours of operation. If you cannot transport the aluminum, we can pick-up. The Paw Points, ink cartridges, and coupons can be sent to the post office box.

**Hours of operation:**

**4:30-7:30pm weeknights**  
**10:30am-5:00pm on Saturdays**  
**12:30-5:00pm on Sundays**
