## Feature Cats

Only two of the feature cats from the last newsletter have been adopted. Petey was adopted by a couple

that had recently lost one of their precious cats to an illness. Petey has found a home where he is loved and has a cat friend for play times. Bug was adopted by a couple and their young son. She adjusted immediately to her new home and her new family. The next morning after she went home, we received a picture of her and her new brother (the son) lying on the couch together taking a nap. She loves having a home of her own where she is adored. However, Parker, Augusta, and Stash are still waiting for wonderful homes where they can be loved. They are all loving cats who get along with other cats and people. They are waiting for perfect homes.

Our new feature cats are Luna, Bumbles, Tigress, and Harley. Luna is a long-hair mostly white with touches of gray. She was a stray in Fairborn. Her owners kept her indoors until she went into heat and then put her outside to live. After having a couple of litters, the neighbor who was feeding her, brought her to The Tenth Life. She is about two years old. Luna is a sweet, quiet cat who loves everyone. She gets along with other cats, but would love the companionship and attention of being an only cat. She is spayed, tested, vaccinated, and microchipped. She will be a great cat for her adopter.

Bumbles, Tigress, and Harley are littermates. They are about seven months old and are typical, active kittens. Bumbles is a tiger stripe calico and her littermates are tigers. They are very sociable and love to play. When visitors enter their room, they are the first ones to greet them. They love to sit on laps and will follow visitors around the room for more attention. They are all spayed or neutered, vaccinated, blood tested for feline AIDs and Feline Leukemia and microchipped for identification.

The adoption fee is only sixty-five dollars and any of these cats would enlighten your life and be a wonderful companion for years. They will love you unconditionally and will be a true friend at all times.

**Heart-Warming Story**

The story for this newsletter concerns two cats who were adopted recently. The first is Lyndsey who is about five months old and her best friend, Otto, who is about nine months old. Lyndsey arrived with a femoral neck fracture at the age of ten weeks. Otto, unfortunately had suffered more severe injuries. He had hidden in the engine of a car to avoid a heavy rain storm. When the owner of the car started the engine, Otto was badly injured from the fan blade. He lost one entire rear leg, his tail and part of the other rear leg. Of course, he had a great deal of infection from his injuries, but has completely recovered and moves faster than anyone can imagine. He and Lyndsey have become best friends and love to wrestle and chase. Of course with Lyndsey being a little girl, she cries like he is hurting her when they wrestle, even though she started the tussle. A typical little girl kitty. They have been adopted by a dear friend of The Tenth Life and her husband. She is the nice lady who bakes so many of the baked goods for our bake sales. They recently lost one of their precious cats to mouth cancer. When they saw Lyndsey sticking her feet out from under the door of her room, they had to see her, and immediately fell in love. After seeing her friend, they decided to take both and give them a loving home. They are very lucky babies, especially Otto with his handicaps that are not handicaps for him. He has completely adjusted to his life and does not feel that he has any problems. They chase up and down the hallway in their new home and Otto has no trouble keeping up with Lyndsey. We wish them years of happiness and love.

**Helpful Hint**

Our helpful hint for this newsletter is to always use a carrier when taking your cat somewhere. Too many people think that they can carry their cat in their arms

with no consequences. Unfortunately, if the cat is afraid or gets spooked, the cat could jump out of their arms with no difficulty. They could easily scratch them very badly with their claws when they try to escape their grasp. People believe that even if the cat jumps out of their arms, the cat will come back to them when they call it. Normally this is not the case. The cat is so scared by the new surroundings that it thinks it has never seen you before and will run as fast as it can to find a safe place to hide. This happens too often when people take their cat to the veterinarian. Most clinics are on busy roads with lots of noise which frightens the cat. In addition, the cat has just experienced a car ride which most cats do not enjoy, and it frightened them. The use of a carrier is important for the car ride so that the cat does not get under your feet at the pedals or climb all over you distracting you from your driving. Another important reason to always have your cat in a carrier in the car is in case you have an accident. If the cat is loose in the car and there is an accident, the cat can run away and never be found. You will never know what happened to your cat and whether he is dead or alive, trying to survive on the streets. Please, always put your cat in a carrier before leaving your house and never take him out until you are inside at your destination. Using a carrier is safer for you and your cat and can save both of you from suffering.

**Statistical Summary**

On the matrix below we have provided some of the important statistics for 2013. This 2013 wrap-up is provided for your information to give you a better idea about the operation of the Tenth Life and its accomplishments. Here are just a few of the data points about The Tenth Life for 2013. We had a very busy, productive year for the cats. As always, thank you for your support.

Adoptions	293
Sponsor cats	265
Volunteers	87
Aluminum	\$2,857
Pennies	\$1,134
Donation Cans	\$1,697

## Christmas Wish List

Our supporters were very kind to the cats this year as always. All of the cats' wishes were granted. Eighteen cats found loving homes and are thrilled to be loved. We wish even more of the cats would find homes where they could have the security of being cared for and loved for the rest of their lives. If you would like to visit the cats please call for an appointment.

Two new volunteers have joined to help with the care of the cats. We welcome them and truly appreciate their interest in volunteering and helping the cats to feel loved. The volunteers scoop litter boxes, feed and water the cats and clean their rooms. Each volunteer has a specific area to clean and maintain. Of course, the best part is the love and attention the cats give you while you are trying to clean. Some help you scoop litter boxes, play in the flow of water when you are trying to fill bowls, or eat out of the bowls while you are trying to add food. They are such helpers. They do add to the fun of the work. It is very rewarding to work with the cats and see them develop into loving cats as they become accustomed to their new surroundings. Please consider offering your assistance to their care.

Donations to the general operating fund exceeded our expectations. Supporters of The Tenth Life donated slightly over thirty-five thousand one hundred dollars during the holiday season. We appreciate your generosity and kindness toward the cats. These donations will greatly help with the operation of The Tenth Life and the associated expenses. Please remember all donations are tax deductible. All letters of acknowledgement have been sent. If we missed your letter, please alert us so that we can correct the oversight.

Four more cats have sponsors as a result of the holiday season. They are so happy and keep telling their friends how special they are to have a sponsor. If you have been thinking about sponsoring one of the cats, there is no better time than now. You can start the new year by giving financial support to a needy cat. The cost is only ten dollars per month which can be paid annually, monthly or any other way that works for you. If you are interested, you can call The Tenth Life.

The donations of supplies were again outstanding. Your donations will save many dollars and hours of shopping time. We received cases of paper towels, toilet paper, facial tissues, wipes, bleach, etc. We thank you for helping in this way. Supplies can be expensive even though we always buy them on sale. The costs do add up for the amount that we use on a daily basis. We will not have to make these purchases for some time.

Donations to the furnace/air conditioner fund totaled six hundred dollars. We will keep accumulating funds until we have enough to make the purchase of the last unit, and the existing unit stops working. Thank you for your donations to this fund.

## Monthly Supply Donations

Provided below is a suggested monthly list of supplies that we use on a daily basis for the care of the cats. Your contributions to these needs are tax deductible and help us keep expenses affordable. These supplies can be donated in any month, not just in the month shown. These are not the only supplies that can be donated, but are the ones that we use more than any others. They can be brought to The Tenth Life during our hours of operation shown at the end of the newsletter.

February	Clorox/Lysol Wipes
March	Rolls of Sisal for Repairing Cat Trees*
April	Brooms
May	Postage Stamps
June	Bleach
July	Paper Towels
August	Hydrogen Peroxide Wipes - Walgreen
September	Clorox/Lysol Wipes
October	Paper Towels
November	Bleach
December	2015 Cat Calendars

\*Available at Lowe's for \$8.98 for a fifty-foot roll. A volunteer is replacing the sisal on the cat trees in all of the rooms, and this would help with the expense. Repairing the existing trees is less expensive than replacing them.

## Annual Plant Sale

It is time to begin thinking about spring and your plant needs. The order blank for the annual plant sale is included in this newsletter. The selection has changed slightly, and there are a few changes in the prices necessitated by price increases from Furst, the supplier of all of the plants. We have maintained as many prices as possible at last year's levels. We have a huge selection of annual bedding plants, hanging baskets, mixed flowering pots, patio pots, vegetables, herbs, and perennials. Please see the order blank for the entire selection and prices. The plants will be of the highest quality and beautiful. You will not be disappointed with any of these plants. If there is a plant that you would like to have but do not see it on the order blank, please note it on the order blank. If Furst has it, we can get it for you. If you prefer, you can call us, we will check with Furst and return your call with the availability and price. Please remember to tell your friends, neighbors, co-workers, and family about our plant sale. If you need more order blanks, call us, and we will be glad to send them to you or you can download the order blank from the web site. The more plants that we sell, the more profits for the cats. Last year we sold about twenty-six thousand dollars of plants with nearly half of that amount being profit. This is one of our biggest fund raisers, and it has grown every year. We understand that it is early to think about plant needs, but **we would like to have your orders, with payment, by March 15<sup>th</sup>**. Furst asks for the majority of our order by the middle of March to accommodate their order and growing requirements. By placing our order by mid March, we receive an early-order discount that allows us to keep our prices lower. We must have our complete, final order to them a few weeks before the delivery date. If you cannot meet the due date for any reason, please send your order blank as soon as you can, and we will have your plants available for you. Even if you cannot send your order until almost the pick-up date, still send your order, and we will take your order from the extras that we purchase.

As always, we will have two to three thousand dollars of extras available for your shopping convenience. We try to have extras of everything, but we cannot guarantee to have everything that you want; therefore pre-ordering

is your best option to assure that we have all the plants that you want. Therefore, please send your orders by the due date, but if it is not possible, send your orders to us so we can accommodate your desires and help the cats. Remember, it is never too late to send your order, but it really helps us to get your orders in a timely manner. Whenever, we receive your order we will fulfill your needs. Please help us with this fund raiser and allow us to help the needy cats of the community.

**The plants will be available for pickup beginning at 4:30pm on May 6<sup>th</sup>**. This is the week before Mother's Day. These plants and arrangements make excellent gifts for everyone on your Mother's Day gift list. You will have your gifts already bought, and the receivers will be thrilled with your thoughtfulness. At the same time you are helping the cats raise funds for their care. **The hours for pickup are 4:30-7:30pm weeknights, 10:30am-5:00pm on Saturday and 12:30-5:00pm on Sunday**. Please make a special note of these times and do not come at any other time as the gate could be closed or no one would be available to help you find your order. We cannot have people coming for their orders and searching through the orders for the one that they think is theirs. Orders can be confused so easily this way, and then our customers are unhappy with us. We try so hard to have everyone's order filled correctly, and in a convenient order that we can locate and recheck your order when you pick it up. By the time that the orders are ready for our customers, they have been filled and checked twice to try to be sure that they are correct. If customers come when there is no help, they may take part or all of an order that looks like theirs, but is not, and cause someone else's order to be incorrect. Please adhere to our hours. If you simply cannot come during our hours of operation, please call us at (937) 376-5550, and we will make arrangements with you to accommodate your schedule. One more point, if you find an error in your order, please call us or bring your order back, and we will certainly correct our error. We try so hard to be sure that every order is correct, but we are human and with nearly three hundred orders, errors do occur. Please let us correct any problem so that you are one hundred percent satisfied with your plants. We will be waiting for your orders. If you have any questions about the plant sale, please call (937) 376-5550 during our hours of operation. If we do

not have the answer, we will check with Furst and return your call with the information.

### **Easter Pie Sale**

We are again offering Pie Peddler pies for your Easter dinner needs. The order blank for the Easter pie sale is also included in this newsletter. The pies are absolutely delicious and are like homemade but without the work, and you can buy several to offer your guests a wonderful selection of flavors. By purchasing our pies, you save yourself hours of baking time and help the cats at the same time. The price of the pies has not changed since the Thanksgiving/Christmas sales. The price is nine dollars per pie (three dollars profit for the cats) and the selection is the same. The specialty pies are ten dollars. Please have your orders, with payment, to us by **April 5<sup>th</sup>**. If you miss the due date, please call us at (937) 376-5550) with your order, and we will accommodate your request from the extras that we order. We will have extras of most flavors, but please pre-order to assure that you get the flavors that you want. The pies will be available for pick-up at The Tenth Life on **April 19<sup>th</sup> starting at 10:30am until 5:00pm**. See you at pick-up.

### **Easter Bake Sale**

To further ease your Easter holiday dessert needs, we will also have a bake sale on **April 19<sup>th</sup>** during the same time period. We will have a huge selection (20-30 varieties) of baked goods for your Easter dinner. Rather than pricing the baked goods, we simply have you make your selections and then make a donation to The Tenth Life. This works for you and us. It saves us time and you can pay what you think is a fair price for your selections. Please come hungry, buy lots of delicious baked goods for your guests, and help the cats. We promise the selection will be huge, and everything will be delicious. We have the best bakers as our supporters. If you would like to donate to this bake sale, please bring your donation to The Tenth Life on Friday evening, April 18<sup>th</sup> from 4:00-7:00pm or after 9:30am on Saturday morning. Your donations are appreciated by the cats.

### **New Way to Support the Cats**

For those of you who shop on Amazon, there is a way to donate to the cats of The Tenth Life without expending any of your finances. If you follow the directions listed below, The Tenth Life will receive a half percent of the total of your purchases.

- 1) Go to [smile.amazon.com](http://smile.amazon.com)
- 2) Sign in with normal Amazon username / password
- 3) It will have you search for and select the charitable organization to which to donate. Search for "Tenth Life" and it should be the second one on the list (**make sure it says Alpha, OH.**)
- 4) Amazon Smile looks and functions just as Amazon normally would, but with the added bonus of .5% of all eligible purchases being donated to The Tenth Life.

**\*\*It is important to ALWAYS go to [smile.amazon.com](http://smile.amazon.com) to make all of your purchases. If you go to the regular Amazon, The Tenth Life will not receive the donation from the purchase and there is not a way to go back and claim it retroactively.\*\***

For people using Google Chrome, there is an add-on called "Smile Always" that can be downloaded and will always redirect you to Amazon Smile, even if you go to the regular Amazon by mistake. There is a similar add-on to Mozilla Firefox called "Amazon Smile Redirect."

### **Speedy Rewards**

Please continue saving and transferring your Speedy Rewards to The Tenth Life. You can transfer your points to The Tenth Life at the kiosk at any Speedway Station or online at Speedway's website. If you transfer your Speedy Rewards to the following card number – 404440 098106, we can obtain one hundred dollar vanilla visa cards for purchasing supplies for the cats. If you transfer your points to The Tenth Life, the cats will greatly benefit from your generosity, and it will not cost you any of your own funds. In 2013, we were able to get two \$100 vanilla visa cards from your donations. Thanks for helping in this way.

## **Dorothy Lane Market Shoppers**

If you shop at either of the Dorothy Lane Markets, please remember their Good Neighbor Program. They donate to charities that are registered with them based on the amount of purchases by supporters who register to support each charity. Last year The Tenth Life received over five hundred dollars from this program. They require that you re-register each year as a supporter of the charity. If you shop at Dorothy Lane Markets, please remember to register to offer your support to The Tenth Life. This is another easy way to help The Tenth Life financially without spending any more of your own dollars. Thanks for your help.

## **Re-register Your Kroger Plus Card**

During the month of April you need to go on Kroger's web site, [kroger.com/communityrewards](http://kroger.com/communityrewards) and re-register your Plus Card for "**The Tenth Life**" and code **80591** as your supported charity. If we registered your Plus Card for you last year, we will re-register your card again this year. If you have questions you can call The Tenth Life (937-376-5550) or Kroger at the following number 1-800-576-4377 and press option 4 then 5. We are receiving about fifteen hundred dollars a quarter from this program with your help. You simply purchase your groceries, show your Plus Card or provide your telephone number at check-out, and The Tenth Life receives a percentage of what you spend at no cost to you. This is a great way to help the cats without using any of your funds.

## **Past Fund Raisers**

We have had several fund raisers since the last newsletter. The first fund raiser was the Thanksgiving pie sale. We sold one hundred and fifteen pies at a profit of over three hundred dollars.

The second fund raiser was the annual plant and greenery sale. We sold all of the plants, wreaths, and roping. The profit was twelve hundred eighty-two dollars. As always the plants and greenery were

gorgeous and so aromatic. Thank you to everyone who purchased these items and helped us make a nice profit.

On the same day as the wreath and plant pick-up, we held our first bazaar. All the merchandise was left out until the second bazaar on December 21<sup>st</sup>. During the time between the two bazaars, we sold even more merchandise. Also on December 21<sup>st</sup>, we had our annual holiday bake sale. The profit from these two bazaars and the bake sale was nearly forty-one hundred dollars. We had forty-four varieties of cookies, candies, and cakes. All of the varieties were delicious. We thank all of the bakers who made the bake sale possible. Our shoppers were so generous, and that is why we made such a huge profit for the cats. Thank you for your help and hope that you enjoyed your shopping experience.

In addition on this same day, we had the Christmas pie sale. We sold sixty-five pies at a profit of nearly two hundred dollars. Thanks to everyone who supported the pie sales. As always, the pies were from the Pie Peddler and were absolutely delicious.

The Tenth Life held "Pictures With Santa" at two different businesses this holiday season. On December 14<sup>th</sup> and 15<sup>th</sup>, we were at Moochie and Company at the Greene taking pet pictures with our Santa and his helper. The crowd was fantastic and the employees of Moochie and Company were so helpful and courteous. We truly thank Moochie and Company for the opportunity to work with them and offer this exciting, fun experience for the customers. For the two days, Santa and his helpers earned five hundred and thirty-five dollars for the cats. Additionally, Moochie and Company had a Christmas tree which featured pictures of The Tenth Life cats (as ornaments) and asked for donations of food or other supplies which helped to support that cat. On December 21<sup>st</sup> and 22<sup>nd</sup> we did pictures with Santa at Pet Supplies Plus in Centerville. There was a steady stream of pets and their owners having pictures taken with Santa. The weather was not great on Saturday, but Sunday was much nicer and more people brought their pets in to visit with Santa. Santa and his helpers earned two hundred and seventy dollars for the cats. We thank the Pet Supplies Plus staff for their help and kindness with this event.

## Current Fund Raisers

Please remember to submit your order blanks, with payment, for the plant and pie sales on the due dates listed on the front page of this newsletter. You will be sorry if you miss these great opportunities for gorgeous and healthy plants and delicious pies. These fund raisers are excellent ways to show your support for The Tenth Life. Please remember to tell your friends and family about these sales and hopefully they will also order.

Our volunteer who makes the cat furniture is still able to save you many dollars on a sturdy piece of cat furniture for your cats to enjoy for years. We have a book at The Tenth Life showing the different designs available. The trees that he makes have a large base for stability and are constructed of PVC or sturdy wood covered with carpet, and the posts can be covered with carpet or sisal. Prices vary by height and style. You can choose the color of carpet that you prefer. You and the cats will be thrilled with the furniture.

We still have a few of the 2014 Entertainment books available. The price is twenty-five dollars, but they will save you hundreds of dollars when you use the coupons in the book. There are coupons for fine dining, fast food, movies, dry cleaning, sporting events, car washes, repair services, etc. The 2014 books are usable until the beginning of November. You have plenty of time to use the coupons and pay for the book many times. We have the books at The Tenth Life or at Dayton South Veterinary Clinic in Kettering on Wilmington Pike.

As always, we have a wonderful selection of short (\$15.00) and long-sleeve (\$20.00) t-shirts, sweatshirts (\$25.00), and tote bags (\$25.00). We recently added five new colors of the long-sleeve t-shirts. They are maroon, smoke gray, deep royal blue, ash, and purple. All of the colors are listed in the last newsletter.

In addition, we have added polo shirts in the following colors, steel gray, celadon blue, red, vine green, boysenberry pink, nugget gold, and dark green. They sell for \$25.00 each.

Our selection of catnip toys has also expanded. We have crocheted catnip mice, fish, octopus, snakes, cubes, and cylinders with bells inside (\$3.00), and small and large balls (\$2.00). There are also catnip mats(\$10.00), felt fish (\$3.00), catnip filled tubes with feathers on the end (\$5.00), and bags of dried catnip (\$3.00).

Furry and crocheted beds (\$10.00), Pet Hair Magnets (\$15.00), and Furminators (\$25.00) are available for your pet needs. The Pet Hair Magnets are wonderful for removing pet hair, and the Furminators work wonders for grooming your pet and removing mats.

For years we have wanted to offer note cards for our cat-loving supporters. With the artistic assistance of a volunteer, we are so excited to now have note cards available. There are ten cards and envelopes for five dollars. Of course there is a cat on the face of the card and they are blank on the inside. **Please see the picture below.** We had them for the bazaars and everyone loved them. We know that you will also.

All of these items are available at The Tenth Life or by mail with the **additional amount shown below for postage.** We know that you will love any of these items.

T-shirts (Long or Short Sleeve)	\$3.00
Polos, Sweatshirts, and Tote Bags	\$3.00
Catnip Toys	\$2.00
Pet Hair Magnets, Furminators, Cards	\$3.00

## Future Fund Raisers

Please plan to attend the Yellow Springs Street Fair on June 14<sup>th</sup> and visit our booth. We will have our extensive selection of apparel, toys, cards, collectibles, Pet Hair Magnets, Furminators, beds, etc. See you there.

**Reminders**

If you have still not indicated to us your choice of method of receiving the newsletter, (mail or e-mail) please contact us. The address and phone number are listed at the end of this newsletter. The e-mail address is [jlotsacats@aol.com](mailto:jlotsacats@aol.com). If receiving e-mail notification is convenient for you, please notify us, and we will convert you. If you prefer receiving the mailed copy tell us that, and we will continue sending a hard copy to you. Simply let us know your preference. If you have already answered this request, you do not need to respond again.

We appreciate your saving ink cartridges, Fresh Step Paw Points, pennies, coupons, and aluminum for the cats. We redeem the ink cartridges for rewards to purchase office supplies, and the Fresh Step Paw Points for free litter. The Paw Points can be found on the bag or box of Fresh Step Litter. The code is ten or twelve characters, but is not the lot number. Simply cut off the top layer of the bag or box with the code and mail it to our post office box. Please be sure to cut off the entire code. The pennies can be wrapped or not. We are thrilled to get them either way. Sending coupons for Fresh Step Litter,

cat food, Yesterday's News litter, paper towels, toilet paper, wipes (Lysol or Clorox), and facial tissue save dollars when we shop for supplies. The aluminum can be any type of aluminum from cans (pet food or drink can) to siding and spouting. **Canned vegetable cans are steel, not aluminum. A magnet will not stick to aluminum, but will to other metals.** Any of these can be brought to The Tenth Life during our hours of operation. Of course, the ink cartridges, Paw Points, and coupons can be sent to the post office box. Please keep saving and helping the cats.
