

Sandbox Gazette

QUARTERLY

JANUARY 2021

ISSUE 1

A new year has begun, and we would all wish for a better year than 2020. This is the first edition of the Sandbox Gazette for 2021. In this edition we will offer the calendar of events, update you about previous feature cats and introduce new ones, let you know about a heartwarming story about former cats of The Tenth Life, make a request, inform you about a tax law for 2021, alert our readers of the need for shelter for outside cats, advise you of the need for spaying and neutering, display the statistical summary, notify you about the status of the Christmas wish list, provide the final tally for the three dollar campaign, give the information about the upcoming plant sale, remind you to register at Dorothy Lane Market and Kroger for their rewards programs, list the monthly supply donation requests, furnish the details about the Easter pie and bake sale, advise you of the information for the 2021 lasagna dinner and auction, tell you about the past, current and future fundraisers, and offer some reminders.

Calendar of Events

Our calendar of important dates for The Tenth Life for the first several months of 2021 is shown below.

Plant Orders Due	March 13 th
Easter Pie Orders Due	March 20 th
\$3.00 Campaign Begins	April 1 st
Easter Bake Sale & Pie Pick-Up	April 3 rd
Plant Pick-Up Begins	May 4 th
Yellow Springs Street Fair	June 12 th
Lasagna Dinner and Auction	August TBD

Feature Cats

We are happy to tell you that Brett and Stormy from the previous newsletter have been adopted to loving homes. Brett was adopted by a single lady who loves her

very much. Brett is a spoiled lady now. Stormy was adopted with an adult cat from The Tenth Life by a couple who are now volunteers. The two of them are good buddies and very loving to their new “parents.” However, none of the litter of five kittens has been adopted. They were born feral, but are very sociable now and in need of loving homes.

Our new feature cats are Rosie, Nina, and Bailey. They all have something in common. They were all mother cats who came in with a kitten.

Rosie is a short-hair tortie and is two years old. She was found with her kitten along a country road. Rosie loves everyone – people or other cats. She would love to have a nice home where she could get all the attention that she deserves. She has been a great mom to her son, Roscoe, who is an orange tiger.

Nina, is a long-hair tabby who is gorgeous. She also has a great, loving personality. Her little boy, Nico is also a long-hair tabby. Nina is about three years old. She is friendly, but quiet. She does not have problems with people or other cats. She is just a laid-back girl.

Bailey, who is about two years old, is a gray short-hair. She is a little shy at first, but warms up quickly with gentle petting. She loves her roommates and loves to watch the outside critters as they scurry through the yard or fly past the windows. Bailey needs time to adjust to a new home, but will become a great kitty. She loves to roll over and let you pet her tummy. She is a tiny girl.

They are all spayed, tested for viruses, vaccinated, treated for internal and external parasites, and micro chipped as are all of The Tenth Life cats. The adoption fee is seventy-five dollars. Please call for an appointment to

see any of these kitties or any others at The Tenth Life. You will enrich your life and theirs.

Heartwarming Story

Our heartwarming story for this newsletter is about Tom and Roxanna. Tom was a ten to twelve year old Siamese mix with long hair who was adopted by a supporter of The Tenth Life in October. He had belonged to an elderly lady that we had known for many years who died. The Tenth Life took her nineteen cats. Tom and his short-hair brother were part of that group. They both came in as ferals, but Tom was much friendlier than his brother who was adopted and took many months to adjust to being a family cat. Tom had been here for many years, and people loved his looks, but he has an allergy problem and needs daily medication to control the allergy. The supporter came in for her Thanksgiving pies and decided to visit the cats. She fell in love with Tom and Roxanna. She thought about taking them but needed time to be sure. Eventually she decided to take Tom, and if that worked she would come back for Roxanna. Tom was afraid at first, but eventually decided that he loved his new home and his new "Mom." A few weeks later, she came back and adopted Roxanna to be a friend for Tom. Roxanna was one of five Siamese living in a parking lot in Kettering about four years ago. They were all feral. We are sure they had not been touched by people and did not know to trust anyone other than cats. Roxanna loves Tom and rubs him all the time, but Tom is playing a little hard-to-get. He does not hiss at her, but does feel that she invaded his territory and cut in a little on his getting attention from "Mom." They are still working out their relationship, but are becoming better friends. They are both gorgeous cats and so very lucky to have been feral and now have a loving home with a loving "Mom."

Make a Request

The Tenth Life needs volunteers to crochet catnip toys. Unfortunately, one of the ladies who crocheted toys for The Tenth Life can no longer crochet because of arthritis. The other lady has multiple health problems and her time and ability to crochet is limited. She does all that she can.

In addition, she did the predominance of the baking for the holiday bake sale since the lady in Tennessee currently has a broken arm and could not bake for the bake sale. We have patterns for all of the toys that they have been crocheting for us, but of course, any design is great. We have a huge supply of yarn and catnip for the toys. If you would like to help us in this way, please call us and offer your assistance. We are currently totally out of crocheted toys. Many people have told us that these are the only toys that their cats like. People come to Street Fair and Popcorn Festival for the sole purpose of buying our crocheted toys. Please if, you can help, we desperately need more people to crochet toys.

Charity Deduction for Non-Itemizers

The original CARES Act in 2020 introduced a new three hundred dollar charity deduction for non-itemizers who take the standard deduction. Now the Cares Act 2.0 extended this charity deduction for non-itemizers with changes. This is one-time for 2021, and the donation must be in cash and made directly to the charity. It is now three hundred dollars for a single person or a married couple filing separately or six hundred dollars for a married couple filing jointly. The deduction doesn't reduce the adjusted gross income, but it does not compete with the standard deduction. You can take both the standard deduction and this new charity deduction. It can be a win for you and for The Tenth Life. Please consider this donation in 2021.

Outside Cats

Unfortunately, many cats live outside and suffer from the cold temperatures. Many people believe that outside cats and dogs do not get cold. As we tell them, if you get cold after being out for a short time, think how cold they get being outside all the time. If you are feeding stray cats that live outdoors, please remember to have them neutered and provide a warm shelter for them. There are many ways to make a shelter for them. One way is by using a storage container and lining it with Styrofoam. The storage container will keep water out of it. You simply cut an opening in one end for an entrance. Then

line the inside of the container with Styrofoam. The Styrofoam insulates the container and makes it warmer for the cats. Instead of using a blanket that will get cold and freeze, line it with straw for warmth. Some use a Styrofoam cooler as a shelter for cats. Because of its insulating capabilities, it provides warmth for the cat. Another idea is to have a heated house or at least a heat lamp in a dry shelter.

There are many other methods of making shelters for cats. We have simply offered a couple of them in this newsletter. You can always google cat shelters and find many more ideas. All animals that live outside need warm, dry shelters to avoid suffering from frost bite. They need our help so much.

Of course, the best option is to take the cat into your home or find it an indoor home for its safety and comfort. They should be tested, vaccinated, and spayed or neutered before entering a home with other cats. In addition, stool checks need to be done to eliminate the possibility of bringing internal parasites in to the resident cat. Treatment for external parasites, such as fleas and ticks is also a necessity. Please remember these needs before ever bringing a new cat into your home. Protection of your resident cat must be your first priority.

Need for Spaying and Neutering

Kitten season will be here much too soon. We want to remind everyone of the need for spaying and neutering. We all know that kittens are adorable, but the supply is so much greater than the demand every year that thousands are put to sleep. Their only crime was being born. This is not the cat's fault but the unthinking people who do not face their responsibilities and have their cats neutered. The fact that so many people do not have the surgery done is even more astounding with all of the low-cost spay/neuter programs available in this area. Most animal organizations have a program to help defray a great deal of the cost of the surgery. We have again included the spay/neuter sheet that shows the advantages of spaying females and neutering males and the magnitude of the problem over the years if they are not done. Call The Tenth Life if you have questions.

Statistical Summary

The statistical summary for 2020 is provided below for your information. This is a look at only a small piece of the activity of The Tenth Life for the year. We offer so many services to try to help cats and their owners.

Adoptions	330
Sponsor cats	270
Volunteers	86
Aluminum	\$1,893
Pennies	\$1,394
Donation Cans	\$ 840*

*The proceeds from donation cans were much lower this year because of the pandemic. People were not out shopping as much, and the veterinarian offices did not allow clients to come into the clinic with their pets.

Status of the Christmas Wish List

We thank everyone who donated in one way or another to the wish list. The cats' main wish was for donations to the general fund. These funds will be used for day-to-day expenses such as the doctor's salary, medical needs, food, litter, insurance, etc. These are the most important funds that we have to continue serving the needy cats that arrive and live here. This year our supporters donated generously, but not enough to recover the shortfall from the missed fund raisers. Of course, every penny helps to fund the cat's needs. Thank you!!!

The second request was for more volunteers. We have three new volunteers to help with the cats' care and providing love. Every volunteer helps clean the cats' rooms and gives lots of attention to the cats. The more volunteers the cats see, the more adjusted they are to people entering their room and being petted by them. We thank all the volunteers for their devotion to the cats and the organization. The volunteers are the most important asset of The Tenth Life. Of course, there is still the need and room for more volunteers. If you would like to help enrich the cats' lives and yours, please call to schedule a time to visit.

Our final request was for more of the cats to have sponsors. Now, two hundred and seventy cats have sponsors. That is an increase of five cats this holiday season. We just completed all of the sponsor updates and hope those of you who sponsor, enjoyed your letter from your sponsor cat(s). Unfortunately, we had been behind on the update letters and do apologize for this lack of correspondence. The cats that have sponsors, feel like they are special and have a friend who adores them. Thanks for your help with sponsoring.

Three-Dollar Campaign

The final tally for the three-dollar campaign is fifty-three thousand nine hundred dollars. We are so grateful to all of the supporters who donated to this campaign. It has been a really tough year for The Tenth Life with missing the income from so many fund raisers. We have lost about thirty thousand dollars in income from not participating in these cancelled fund raisers. This is five thousand dollars more than last year's income from this campaign. It does help to overcome part of the shortfall, but certainly does not cover all of it. Our supporters, by donating to this fund raiser, have helped greatly. The 2021 campaign will begin on April 1st.

The 2021 Plant Sale

The order blank for the 2021 plant sale is included in this newsletter. With the cold weather it is hard to believe it is time to begin thinking about your plant needs for the spring of 2021. The plants will again be provided by Furst Florist and Garden Center. They have always supplied the plants for the sale and are always the best plants available. Last year we sold over twenty-eight thousand dollars of plants. They were so beautiful, and the cost was competitive with other nurseries. They are not big box store plants, but rather are the highest quality, healthiest plants you can find. Please be sure to plan to buy your plants from The Tenth Life and tell everyone you know about the sale. Although the last sale was fantastic, we would love to do even better this year. Please help us by telling your friends and relatives about the fantastic plants. We will have the same great selection

as in past years. There will be annual bedding plants of many varieties, hanging baskets, flowering pots, patio pots, perennials, herbs, and vegetables. We will need your order blanks with payment by **March 13th**. If you cannot meet this date, we will, of course, take your order any time. **Please do not ever feel that it is too late to order.** We ask for early orders to qualify for the early-order discount offered by Furst. This allows us to keep our prices lower to help our customers. We will always amend our order to accommodate your needs and wants. If you want plants that are not listed on the order blank, simply add them. If Furst has the plants, or can get them, we will have them for you. If you prefer, you can call us, we will check with Furst on the availability, and get back to you with the information. The plants will be ready for pickup beginning at 4:00pm on May 4th until 7:00pm. The hours will be the same for each week night after that. The hours on Saturday will be 10:30am – 5:00pm and on Sunday from 10:30 – 5:00pm. Please only come during these hours so that we may assist you with your order. Many orders may look alike but may not be yours, and you could wreak havoc with our order system. We will be expecting your order.

Dorothy Lane Market Good Neighbor Program

For everyone who shops at Dorothy Lane Market, they have a program that you can register as a supporter of The Tenth life and have your purchases count toward a donation that Dorothy Lane Market makes to The Tenth Life. For your purchase to count, you must purchase at least one thousand dollars during the year. **You must register each year as a supporter.** When you make your purchases, be sure to scan your Club Card. For your convenience, you can register on line at www.dorothylane.com/goodneighbor. The Tenth Life received over six hundred and forty-nine dollars from this program in 2020. The more people that join and participate in this program gets more money for the cats.

Kroger Community Rewards Program

Kroger also has a rewards program for their customers to provide help to charities. Simply register your rewards

card as a supporter of The Tenth Life and have your card scanned when you shop. Kroger sends a check each quarter to The Tenth Life which is about eleven hundred dollars. What a generous amount that does not require work on our part or yours! Please help in this way if you shop at Kroger. The registration takes only a few minutes.

Monthly Supply Donations

The supplies shown below are those that we use on a daily basis. Any can be donated in any month. They will be greatly appreciated and save the cats funds for other important needs. They can be brought to The Tenth Life during our hours of operation.

January	Paper Towels
February	Wipes (Clorox, Lysol, Sam's, etc.)
March	Distilled Water
April	Friskies, Iams, Fancy Feast Canned Food
May	Paper Towels
June	Bleach
July	Pine Cleaner
August	Friskies, Iams, Fancy Feast Canned Food
September	Paper Towels
October	Wipes (Clorox, Lysol, Sam's, etc.)
November	Bleach
December	2022 Cat Calendars

Easter Pie Sale

We will again offer the delicious Mehaffies pies for Easter. The price is the same – nine dollars and fifty cents for the regular pies and ten dollars and fifty cents for the other flavors that they sell. If you want any of the special pies please write them in on the order blank. Please see the order blank, which is included in this newsletter, for the flavors of regular pies. We need your order blank with payment by **March 20th**, and the pies will be available for pick up on **April 3rd** from 10:30am to 5:00pm. This is the day before Easter. You can have a great variety of pies, without any work, for your holiday dinner. In addition, you will be contributing funds to the cats of The Tenth Life. Please remember to send in your order blank

by the due date. You will be sorry if you miss these delicious pies.

Easter Bake Sale

On the same day as the pie pick up, **April 3rd**, we will have our annual Easter bake sale. We usually have at least twenty varieties of baked goods for your Easter entertaining. As always, you make your selections, and then make a donation based on your idea of a fair price. You are always very generous with your donations and we really appreciate it. The baked goods are always delicious, and you will not be tied to the kitchen with preparation of baked goods. This is another example of a way that you win twice. You do not have to spend your precious time baking, and you are helping the cats. See you at the bake sale. The hours are 10:30am-5:00pm. If you would like to bake for the sale, your items can be brought to The Tenth Life from 3:00-6:00pm on Friday or after 10:00am on Saturday morning. Thanks for your help.

Lasagna Dinner and Auction

We are beginning our planning for the 2021 Lasagna Dinner and Auction. Unfortunately, with all of uncertainty associated with the pandemic, we do not know if we can have our dinner and auction in 2021. If we can, it will be in the same location as it has been for several years. That is the VFW Post 8312 on Dayton Xenia Road in Beavercreek, sometime in late August from 1:00-6:00pm. As time progresses, we will set a firm date. Although we have outgrown the location, it is convenient for many reasons. It is within the vicinity of The Tenth Life; it is around the corner from the storage facility that donates one or two storage units for our use prior to the sale; there is sufficient parking; and the rental fee is affordable. Please start planning now for the event. This event is always a fun-filled afternoon for our supporters with great items at amazing prices. Please plan to attend.

We are again asking our supporters for donations of items for the auction. All types of items are needed. We are not looking for yard sale items, but instead new or gently-used merchandise or vintage items. Donations of

jewelry items are also needed as they seem to be good sellers. Of course, cat-oriented items are great sellers, but we have all types of merchandise for our auction. The auction is very popular and is our largest fund raiser. We can accept donations at any time during our hours of operation. If you cannot transport the items, call us and we can make arrangements for pick-up. All donated items are tax deductible, and we are happy to provide a letter to you for your donation.

We have several needs which include workers to visit businesses to solicit donations, workers for the event, baskets and volunteers for making gift baskets for the auction, and filler stuffing for the baskets. We will also be looking for sources for donations for soft drinks and the salad bar. We have been very fortunate to receive donations from restaurants and supporters for many of these needs in the past.

Past Fund Raisers

Even with the pandemic, we have had several fund raisers since the last newsletter. The first was the Thanksgiving pie sale. We sold eighty-five pies at a profit of nearly three hundred dollars. We sold all of the pies that we ordered. As always they were delicious and a huge hit with our customers.

The second was the annual greenery and plant sale. We sold all of our inventory at a profit of fourteen hundred and seventy-six dollars. We had wreaths, roping and Christmas plants. The greenery was from a distributor in Cincinnati and the plants came from Furst. All were so beautiful and aromatic. The bows were made by a friend of The Tenth Life, and we truly appreciated her help. The floral studio that had previously provided the bows closed this past year.

On the same day as the greenery and plant pick up, we had our first bazaar. With sales and donations, we earned nearly nine hundred dollars for the cats. We had fewer participants than normal, but everyone was very generous and supportive. We thank everyone who attended and helped at the sale. Every penny earned helps the cats enjoy their life at The Tenth Life.

As we anticipated, we were not able to do pictures with Santa. We were unhappy to not do them, but there was no way with the pandemic that they were possible. If we can, we will do them next year at three Pets Supplies Plus – Beavercreek, Kettering, and Centerville.

On December 19th, we had our annual holiday bake sale, our second holiday bazaar and the Christmas pie pick up. Thanks to our great bakers, we had about thirty varieties of baked goods that included cookies, coffee cakes, candy, and a bag of Trader Joe's novelty items donated by Trader Joe's in Kettering. We thank everyone who donated and made the bake sale possible. Our main baker who lives in Tennessee and usually bakes about forty varieties could not bake this year as she broke her arm several weeks ago. So many other supporters donated and helped to make it a success. On the same day, we had our second bazaar. Of course, the number of customers was less than in previous years, however, everyone was super generous and provided income of nearly three thousand dollars for the cats from the bake sale and the bazaar. The pie sale added another three hundred dollars of income for the kitties. We thank everyone who made these sales helpful for the cats.

Current Fund Raisers

Please continue saving your Speedy Rewards and transferring them to The Tenth Life. You can transfer your points to The Tenth Life at the kiosk at any Speedway Station or online at Speedway's website. If you transfer your points to the following card number – 404440 098106, we can obtain one hundred dollar vanilla visa cards for purchasing supplies for the cats. If you transfer your points to The Tenth Life, the cats will greatly benefit from your generosity, and it will not cost you any of your own funds. Thanks for helping.

If you shop on Amazon, please remember to register and purchase through **Amazon Smile**. Please go to **Amazon Smile** and register as a supporter of The Tenth Life. After you have registered, do your shopping, and Amazon will send The Tenth Life a donation of half of a percent for the purchase. This is another easy way to support The Tenth Life without any expenditure of your

own funds except for the item you are buying. Please remember this option when shopping on Amazon.

The cat furniture built by a volunteer is available for your shopping pleasure. We have a book at The Tenth Life showing the different designs available. The trees that he makes have a large base for stability and are constructed of PVC or sturdy wood covered with carpet, and the posts can be covered with carpet or sisal. Prices vary by height and style. You can choose the color of carpet that you prefer. You and your cats will be thrilled.

As we previously told you, a supporter of The Tenth Life is making beautiful totes for us to sell. Some are cat fabric, some dog fabric and some “generic fabric” as she calls it. The generic fabrics are all beautiful and have different designs but are not cat or dog designs. The totes have a spacious pouch inside. We have them available at the Tenth Life or by mail. The totes sell for twenty dollars.

We have a wonderful selection of short (\$15.00) and long-sleeve (\$20.00) t-shirts, polo shirts (\$25.00) and sweatshirts (\$30.00). The short sleeve t-shirts are available in pale yellow, gold, Kelly green, lime green, pale pink, sand, light sand, spruce, natural, purple, navy, bright red, orange, forest green, black, Carolina blue, burgundy, gray, khaki, and olive. We have the long sleeve t-shirts in bright red, stonewashed green, maroon, royal blue, and gold. The polo shirts are available in gray, blue, red, lime green, gold, and dark green. The sweatshirts come in purple, black, navy, forest green, bright red, gold, light pink, brown, lime green, Carolina blue, burgundy, and gray. The t-shirts, polo shirts, and sweatshirts are available in M/L/XL/XXL&XXXL. Of course we do not have every size in every color. Any can be shipped with extra for postage.

We normally have crocheted catnip mice, fish, birds, octopi, snakes (\$3.00), balls (\$2.00) and door hangers (a crocheted ball on the end of a crocheted hanger) (\$5.00). These items are currently out of stock. We do have new catnip toys - fleece mice and pillows (\$3.00). We still have catnip mats (\$10.00) and bags of catnip (\$3.00).

Pet Hair Magnets (\$15.00), and Furminators (\$25.00) are available for your pet needs. The Pet Hair Magnets

are wonderful for removing pet hair, and the Furminators work wonders for grooming your pet and removing mats.

Our note cards are great for writing your friends or they would make excellent gifts for your cat-loving friends. There are ten cards and envelopes for five dollars in a package. The entire front of the card is a cat face and the inside is blank.

These items make excellent presents for your cat friends and their people. All of these items are available at The Tenth Life or by mail with the **additional amount shown below for postage**. We know you will love them.

T-shirts (Long or Short Sleeve)	\$4.00
Polos, Sweatshirts, & Tote Bags	\$4.00
Catnip Toys & Note Cards	\$3.00
Pet Hair Magnets & Furminators	\$5.00

Future Fund Raisers

Please remember that the plant sale and the Easter pie sale order blanks are in this newsletter. The calendar on the front page gives you the important dates for these events. You do not want to forget either fund raiser.

On June 12th, The Tenth Life will have a booth at the Yellow Springs Street Fair, if the event is not cancelled. The event runs from 9am-5pm rain or shine. We will have all of our regular items and a few new ones for your selection. We are usually on the opposite side of the main street across from the Speedway station. Hope to see you there. It is always an exciting and fun event.

As we mentioned earlier in this newsletter, we are planning for another lasagna dinner and auction in August. More information will follow in the next newsletter. Please start saving your items now so that we can have another successful dinner and auction.

Reminders

We appreciate your saving ink cartridges, Fresh Step Paw Points, pennies, coupons, and aluminum for the cats.

We redeem the ink cartridges for rewards to purchase office supplies, and the Fresh Step Paw Points for free litter. The Paw Points can be found on the bag or box of Fresh Step Litter. The code is ten characters, but is not the lot number. Simply cut off the top layer of the bag or box with the code and mail it to our post office box. **Please be sure to cut off the entire code.** The pennies can be wrapped or not. We are thrilled to get them either way. Sending coupons for Fresh Step Litter, cat food, Yesterday's News Litter, paper towels, toilet paper, wipes (Lysol, Clorox, Sam's, etc.), and facial tissue save dollars when we shop for supplies. The aluminum can be any type of aluminum from cans (pet food or soft drink) to siding and spouting. Any of these can be brought to The Tenth Life during our hours of operation. Of course, the ink cartridges, Paw Points, and coupons can be sent to the post office box. Please keep saving and helping the cats.

Canned vegetable cans are steel, not aluminum, and we do not recycle them. A magnet will not stick to aluminum, but will to other metals. We also do not recycle plastic bottles.

Hours of Operation:

Phone Number:

4:00-7:00pm Monday-Thursday (937) 376-5550
3:00-6:00pm Friday
10:30am-5:00pm on Saturday
10:30am-5:00pm on Sunday

Address:

SPAY/NEUTER FACTS

All pets should be surgically spayed/neutered for many reasons. In addition to improved health and behavior resulting from this surgery, you will be doing your part to reduce unwanted pet population. Millions of unwanted animals are euthanized each year because good homes are limited.

Benefits of spaying/neutering

Females

- Prevents signs of heat
- Prevents blood stains on carpet from heat cycle
- Decreases chance of breast tumors
- Eliminates chance of cystic ovaries
- Eliminates chance of uterine infections
- Prevents breast development (if done early)
- No unwanted pregnancies or offspring

Males

- Prostate cancer incidence decreased
- Testicular disease eliminated
- Decreases desire to roam
- Eliminates odor of tom cat urine
- Decreases aggression
- Prevents spraying and marking
- Eliminates undesirable sexual behavior

- Your pet will NOT get fat or lazy because of this surgery. Diet exercise and heredity have much more influence on the weight and attitude of your pet.
- Surgery is recommended when the pet is about four months of age, but it can be done at any age.
- It is much easier on your pet to be spayed before going through a heat cycle due to the smaller size of the reproductive tract.
- Surgery is performed painlessly while your pet is under general anesthesia. Surgical risk is minimal. Most pets go home the same day. Post-surgical pain is minimal.

TWO UNCONTROLLED BREEDING CATS . . .
plus all their kittens and all their kittens' kittens.
If none are ever neutered or spayed, add up to

The Tenth Life
